Blue jeans, bandana rag, lookin' like Dolly
She's cooler then cash
She got a body looks like a model
And everywhere she goes it makes me wanna follow

She got that thang in the back
Make you wanna do a double take and make ya say
"Hey
Look at that"
She got that junk like a trailer yard, Man that thang
Is so hot might set something on fire
She got that thang, dang dang dang, dang dang dang,
Dang dang dang
She got that thang, dang dang dang, dang dang dang,
Dang dang dang

Short shorts, good lord, kinda make ya wonder how
she
Got in them drawers
Farm raised, home grown, love to watch her shake it to
The hook of this song
She got that thang in the back
Make you wanna do a double take and make ya say
"Hey
Look at that"
She got that junk like a trailer yard, Man that thang
Is so hot might set something on fire
She got that thang, dang dang dang, dang dang dang,
Dang dang dang
She got that thang, dang dang dang, dang dang dang,
Dang dang dang

(Instruments)

So if ya got a lil lecture, best believe that we
Respect ya
Go ahead and shake it, ima let ya do ya thang
And if ya got then flaunt it 'cause now everybody want
it
There be no shame in your dance
Let me hear ya sing

She got that thang, dang dang dang, dang dang dang,
Dang dang dang
She got that thang, dang dang dang, dang dang dang,
Dang dang dang
She got that thang, dang dang dang, that going going
Going that going going dang
She got that thang, dang dang dang, that going going
Going that going going dang

She got that thang
