I got my top back, got the got the top down  
I got my top back, got the got the top down  
I got them cool shades, radio loud  
See me cruisin' down the interstate, makin' this sound  
Yeah-e-yeah-e-yeah

I got the top back, top down, feel the breeze, hear the  
sound  
Ra-di-o loud, screamin' hey hey hey

See these are the days, gotta work up plenty of time to  
play  
My favorite station playin' everything good  
Bright sunlight shinin' off my hood  
Cars pass and they wish they were me  
'Cuz I got my top down singin' in the breeze  
No stress, no stress, never been so free  
So glad it's the summer time, I know you feel me

Chorus

Some of my favorite nights  
Down the avenue to see the bright lights  
Still hot when the sun falls down  
No place I'd rather be then this here town  
The convertible with the roof gone  
Leaned back with the radio on  
See the fresh paint drippin', lookin' clean  
Ridin' 'round just to be seen

Chorus

I might cruise if I wanna  
'Til I run outta road  
With the radio up as loud as it'll go

I got my top back, got the got the top down  
I got my top back, got the got the top down  
I got them cool shades, radio loud  
See me cruisin' through the country, makin' this sound  
Yeah-e-yeah-e-yeah

I got the top back, top down  
Feel the breeze, hear the sound  
Radio loud, screamin' hey hey hey  
Oh-o-oh  
Hey hey hey  
Aaah right  
Hey hey hey
