There you go again
Playing with my heart
Just when I've moved on
You're bringing me back to the start
Oh well can't you see I'm breaking
I've been there for the taking
Now there's just one thing I'm asking of you

Baby don't speak to me so softly
Ask me if I'm okay
Smile if you should pass my way
Try not to wear your hair so pretty
Be so bright and witty
Laugh at all the jokes I make
Cos I still think about you every day
And it still hurts me when I hear you say
You don't love me that way

It's so bittersweet
When I see you now
And every time we meet
You've got me wondering how
How I'm supposed to smile and listen
There's some new love you're kissing
When I feel so desperate for you today
Baby don't speak to me so softly
Ask me if I'm okay
Smile if you should pass my way
Try not to wear your hair so pretty
Be so bright and witty
Laugh at all the jokes I make
Cos I still think about you every day
And it still hurts me when I hear you say
You don't love me that way

Oh can't you see I'm breaking
I've been there for the taking
Now there's just one thing I'm asking of you

Baby don't speak to me so softly
Ask me if I'm okay
Smile if you should pass my way

Try not to wear your hair so pretty
Be so bright and witty
Laugh at all the jokes I make
Cos I still think about you every day
And it still hurts me when I hear you say
You don't love me that way
