Love is a many splended thing,

love lift us up where we belong all you

need is love

Please don't start that again

All you need is love

A girl has go to eat

All you need is love

She'll end up on the streets

All you need is love

Love is just a game

I was made for loving you baby and you were made for loving me

The only way of loving me baby is to pay a lovely fee

Just one night, give me just one night

Theres no way 'cause you can't pay

In the name of love, one night in the name of love

You crazy fool i won't give in to you

Don't....leave me this way I can't survive without your

sweet love

oh baby don't leave me this way

You'd think that people would've had enough of silly

love songs

I look around me and I see it isn't so, oh no

Some people live their life by silly love songs

well what's wrong with that i'd like to know cause here i

Love lift us up where we belong where eagles fly, on a mountain high

Love makes us act like we are fools,

throw our lives away for one happy day

We could be heros just for one day

You, you will be mean

No I won't

And I. I'll drink all the time

We should be lovers

We can't do that

We should be lovers

And thats a fact

Though nothing will keep us together

we could still try just for one day

We could be heroes forever and ever

We could be heros just becoase iiiiiiiii iay will always

love you
