"Good evening Milo. Here are the tickets you requested. Remember, be back by 1:30. I can't shut down until I know my boys are safe."

It's time
For you
And me
To have a little fun

Come on baby, feed the night
Come on Simon, feed me
Loosen if you feel uptight
Milo, you so crazy
Would you like a lover's bite
Why you always tease me
Cos we want to
Cos we love to
Cos we need to feed the night

Feed the night with lover's moans
With overtures and undertones
With booty bounce and saxophones
Come on, come on and feed it
Feed the night with neon lights
With taxi cabs and weekend flights
With miniskirts and megabytes
Come on, come on and feed it

Your bod is so delicious
Your kisses are nutritious
Your buns are bubblicious
I fancy your design
I've got to make you mine

It's dark
It's hot
The light is coming
Ready or not

Come on baby, feed the night
Come on Simon, feed me
Loosen if you feel uptight

Milo, you so crazy
Would you like a lover's bite
Why you always tease me
Cos we want to
Cos we love to
Cos we need to feed the night

Feed the night with motorcars
With super dates and pin-up stars
With photo flash and candy bars
Come on, come on and feed it
Feed the night when pleasure calls

With microfilm and mirrored balls
With party girls and bathroom stalls
Come on, come on and feed it

It's dark
It's hot
The light is coming
Ready or not

Come on baby, feed the night
Come on Simon, feed me
Loosen if you feel uptight
Milo, you so crazy
Would you like a lover's bite
Why you always tease me
Cos we like to
Cos we love to
Cos we need to feed the night

"Oh my god, she's gorgeous."
"Let me handle this."
"I've got designs on your interior."
"Pardonnez?"
"Let's decorate, baby."

Your bod is so delicious
Your kisses are nutritious
Your buns are bubbilicious
I fancy your design
You're mine, you're mine, you're mine

It's hot
It's hot
It's hot
It's hot
It's hot hot hot hot hot hot hot hot

Come on baby, feed the night

Come on Simon, feed me
Loosen if you feel uptight
Milo, you so crazy
Would you like a lover's bite
Why you always tease me
Cos we want to
Cos we love to
Cos we need to feed the
Come on baby, feed the night
Come on Simon, feed me
Loosen if you feel uptight
Milo, you so crazy
Would you like a lover's bite
Why you always tease me
Cos we want to
Cos we love to
Cos we need to feed the night
