got a little hunch
That there is somethin
Goin on now
The clothes I bought
The friends I got
My teacher had a meltdown

Bridge1:
Then I look at me
And I start to see
And a voice inside
Tells me what I must do

Chorus:
Wake up who knew
It's me it's you
Get A Clue
It's there inside of you
The Girls:Oh yeah that's right
Get A Clue
Theres nothing you can't do
Nothin's ever quite what it seems
Just look a little closer at me
Wake up who knew
It's me it's you
Get A Clue

Milo:And That's the way it goes now
Simon: Did you ever see the world around you
Change before your eyes
The people you ignore before
They took you by surprise

Bridge2:
Then you look at me
And I start to see
That somethin happens
When I'm next to you

Repeat Chorus

The girls:Oh yeah that's right

Milo:And that's the way it goes now

The girls:Oh yeah that's right

The first one came on a Tuesday afternoon
When I first saw you
The next one came to my surprise
When I found out what I had to do
Take a photograph of me
Hang it in a gallery
Sit around and watch TV
Turn around and then you look at me
Yeah, yeah

Simon:Rock The Mic!

The girls:Oh yeah that's right

I got a little hunch
That there is somethin
Goin on now
The clothes I bought
The friends I got
My teacher had a meltdown

Repeat Bridge1

Get A Clue
It's there inside of you
The girls:Oh yeah that's right
Get A Clue
There's nothing you can't do
Nothin's ever quite what it seems
Just look a little closer at me
Wake up who knew
It's me it's you
Get A Clue

The girls:Oh yeah that's right

Get A Clue

The girls:Oh yeah that's right

Wake up who knew
It's me it's you
Get A Clue

The girls:Oh yeah that's right

Milo:That's the way it goes now

The girls:Oh yeah that's right

Wake up who knew

It's me it's you

Get A Clue
