Hot show
She's my Technicolor disco
Yo, yo
Ya, we're gonna make a video

She'll keep it on the down-low
Dig it

Hot show
You look beautiful in slow-mo
Quid pro quo
'Cause she's my sexy queen of soho

And the reason that I come and go
From Brooklyn to Manhattan
You're the one
Who makes me hum

She's my hot show

And every time I see ya, girl
I get to feeling sorta down
And kinda out
Like you'll never be mine

And you and I could be so crazy
Like a crazy roller coaster ride
Let me in 'cause
I'm out of my mind

Dig it

Hot show
I didn't know that you go stereo
Yo, yo
Meet me at the local ho-jo

Drop that good for nothing zero
And come into my life
Forever more my, my little

And every time I see ya, girl

I get to feeling sorta down
And kinda out
Like you'll never be mine

And you and I could be so crazy
Like a crazy roller coaster ride
Let me in 'cause
I'm out of my mind

From Brooklyn to Manhattan
You're the one
And let's me hum

Give Molly a hot show
Give Molly a hot show
