Hands on the wheel tonight  
16 Hours and it's getting like  
It's all the same to me

Struggle through each day,  
My time a mess to nothing and I can't change  
The situation's stays the same  
(I feel so far away)  
Even though the pictures passing by me, beside me  
Colors lonely time to grey

Turn up my stereo 'til my problems fade away  
Time to expire me have tomorrow turns into today

Hands on the wheel tonight  
16 Hours and it's getting like  
It's all the same to me

Hands on the wheel tonight  
16 Hours and I'm getting tired  
It's all the same to me

Trying to find a answer  
I'm trying to find my home  
I want to be at of the less I'm going  
I want to be alone  
(I feel so far away)  
Even though the feeling that's inside me,  
Beside we've always seem find a way

Turn up my stereo 'til my problems fade away  
Time to expire me have tomorrow turns into today

Hands on the wheel tonight  
16 Hours and it's getting like  
It's all the same to me

Hands on the wheel tonight  
16 Hours and I'm getting tired  
It's all the same to me

Turn up my stereo 'til my problems fade away  
Time to expire me have tomorrow turns into today

Hands on the wheel tonight  
16 Hours and it's getting like  
It's all the same to me

Hands on the wheel tonight  
16 Hours and I'm getting tired  
It's all the same to me

Hands on the wheel tonight  
16 Hours and it's getting like
