Hello, I swear I won't be too long
Hello, I promise I'll be real strong
Wait up, I just wanna tell You
Hold up, why are You still here?

I've been dirtier
Than You wanna know
I've left earlier
Than You'll ever know

Why do You wanna be all listenin' to me?
Why do You spread Your arms and tell me I'm free?
Why do You wanna be in my life
In my life?

I've been dirtier
Than You wanna know
I've left earlier
Than You'll ever know

[Incomprehensible]
[Incomprehensible]
[Incomprehensible]

Jesus, Jesus
There's something about Your name
Master, Savior
Jesus

I've been dirtier
Than You wanna know
I've left earlier
Than You'll ever know

Jesus, Jesus
