

The Almost

"Ghost"

Visit "[Ghost](#)" on MotoLyrics.com

I'm so lost that I'm afraid
I ask for help, once again
I gotta get out, she sees the lies inside won't change
Shes seen that I'll still be the same
So what either way

[Chorus]

Hey you're so wrung out, too far gone
I've left you behind
I can't hear you, almost forgot you
Hear me now
You can't touch the ghost inside

(No you can't, you can't)

I can only do what I can
I'm still stuck here, half a man
But there is hope
That I won't be the same, you'll see
Listen to me

[Chorus]

Hey you're so wrung out, too far gone
I've left you behind
I can't hear you, almost forgot you
Hear me now
You can't touch the ghost inside

(You can't judge the ghost inside
You can't trust the ghost inside
You can't see ghost inside)

I'm about to crack and give in
I'm about to break, give it all away, away, away

[Chorus]

Hey you're so wrung out, too far gone
I've left you behind
I can't hear you, almost forgot you
You can hear me now
You can't touch the ghost inside

(No, no you can't)
You can't trust the ghost inside
You might think you can
You can't judge the ghost inside.
