Sick of drinking poison
Sick of worrying
Sick of telling lies
You're just sick of listening

What a bastard child
I have made myself
What a stab
What a missing truth
I hope I can get hope to you

What's the use in going in alone
What's the use in going this alone

It's you and me let's get outta this place [x2]

I'm sick of this monster monster
Gotta get here
gotta get here
I'm sick of this monster monster
Gotta get here
gotta get here
We've got to get out get out
Before things get weird
Before it gets weird
We've got to get out get out
Before it gets weirder

I have made an exit
and I have made a home
among the thorns
and I have given in
I have given in
I have lost respect for me
Can this get any worse?
Can this get any worse?
I'm sick of this monster monster
Gotta get here
gotta get here
I'm sick of this monster monster
Gotta get here
gotta get here

We've got to get out get out
Before things get weird
Before it gets weird
We've got to get out get out
Before it gets weirder
Before it gets weirder

I'm sick of this monster monster
You gotta get here
You gotta get here
I'm sick of this monster monster
You gotta get here
You gotta get here
Everybody!
I'm sick of this monster monster
You gotta get here
You gotta get here
I'm sick of this monster monster
You gotta get here
You gotta get here
We've got to get out get out
Before things get weird
Before it gets weird
We've got to get out get out
Before it gets weirder
