Your love is extravagant
Your friendship is so intimate
I find I'm moving to the rhythms of your grace
Your frequency is intoxicating, in our secret place
Your love is extravagant

Spread wide in the arms of Christ
Is it love that covers him
No great love have I ever known
You considered me your friend

Capture my heart again,
Capture my heart again.

Your love is extravagant
Your friendship, so intimate
I find I'm moving to the rhythms of your grace
Your frequency is intoxicating, in our secret place
Your love is extravagant

Spread wide in the arms of Christ
Is it love that covers him
No great love have I ever known
You considered me your friend

Spread wide in the arms of Christ
Is it love that covers him
No great love have I ever known
You considered me your friend

Capture my heart again,
Capture my heart again,
Capture my heart again,
Capture my heart again.
