Ocean Of Warriors

As I look over yonder
What do I see
I see the masses growing
Like a raging sea

Men and women of valor
Willing to die to reach vallhalla
What do I see up over there
Today's stormtroopers ready for the dare

[Chorus]
All I see in the distance
Is an ocean of warriors
Marching forward to battle
An ocean of warriors

Ready to kill
With a fist of steel
Ready to fight to cure our nations ills
White resistance has risen
Freed from the bond of this emotional prison

We fight for love
Not for hate
To banish the cowards
To traitors gates

[Chorus]
All I see in the distance
Is an ocean of warriors
Marching forward to battle
An ocean of warriors

Spirits are high
As standards they fly
In orderly files
Marching so proud
Mile after mile
Corps after corps they lead
And when it comes time to bleed
They're gonna know that they did their best

For their nations needs.

[Chorus]

All I see in the distance
Is an ocean of warriors
Marching forward to battle
An ocean of warriors
