Well, I think I'm goin' out of my head  
Yes, I think I'm goin' out of my head  
Over you  
Over you

I want you to want me  
I need you so badly  
I can't think of anything but you

And I think I'm goin' out of my head  
'Cause I can't explain the tears that I shed  
Over you  
Over you

I see you each morning  
But you just walk pass me  
You don't even know that I exist

Goin' out of my head, (my head) over you (out of my head)  
Out of my head (my head) over you (out of my head)  
Out of my head, day and night, night and day and night, wrong or right

I must think of a way into your heart  
There's no reason why my bein' shy  
Should keep us apart

And I think I'm goin' out of my head (out of my head)  
Yes, I think I'm goin' out of my head (out of my head)  
Goin' out of my head, (my head) over you (out of my head)  
Out of my head (my head) over you (out of my head)  
Out of my head, day and night, night and day and night, wrong or right  
Day and night and night, day and night, wrong or right
