Oh I could this love in my heart
A heart ain't a heart until you share it
So come on, let me share it with you
Do all the things I've been longin' to

CHORUS:

Oh a bell ain't a bell until you ring it
A song ain't a song until you sing it
Baby, life ain't life until you live it
& love ain't love until you give it, no no no

Ooo what good would it do me to dream of your kiss?
A kiss ain't a kiss until you feel it
So come on, let me kiss your lips
Light all aglow with the thrill I miss

(chorus)

Ooo what good would it do me to wish you were mine?
Mine ain't mine until I got it
So come on, tell me you'll be mine
Right now, babe, stop wastin' time

(repeat chorus & fade)
