Driven by passion,
And animal lust
There's a devil inside me,
You can never trust,
Am I Jeckel or Hyde
Oh you can't be sure,
'Cos baby I got the fever,
You got the cure

That's why I'm standing in the shadows
In the heat of the night
Waiting for a love bite

'Cos I can't give it up
It's an obsession
My life's on the line
I'm in need of a love injection
Can't give it up
It's an obsession
I'm in a cold, cold sweat
All I need is your attention

Hot with desire
And hungry for love
There's a devil inside me
Just can't get enough
A physical attraction
A habit I just can't kick
'Cos I know satisfaction is guaranteed
I got to get my fix

That's why I'm standing in the shadows
In the heat of the night
Waiting for a love bite

'Cos I can't give it up
It's an obsession
My life's on the line
I'm in need of a love injection
Can't give it up
It's an obsession

I'm in a cold, cold sweat
All I need is your attention

I'm gonna need a shot
Before the night is through
I can feel the hunger
I'm gonna take a piece of you

Repeat chorus
