Verse 1

Sun shines down, all packed up.
Once in motion can't correct it.
Allow yourself to get intercepted, get intercepted.
Reality check, bank it bounces.
Invest return commission countless,
when your gold ain't weighed in ounces.
You counting ounces

And you say!

Yeah, that's authentic all the way, now I
wanna comprehend.
But I don't wanna wake with my brain in the
bends,
What a shame if I start in the same place I end.
Inhibition out, I'm all in!

Chorus 1

Tonight you gonna move like there's no one
around.
Flying through the sea of a wild world.
Tonight you gonna sing like a trumpet sounds
Everyone will see how you go.
