

Pseudo Rebels "Phenomenon"

Visit "[Phenomenon](#)" on MotoLyrics.com

Verse 1

You can't stop a phenomenon
Like Dp3, he be Don Da Don
Tearin through your city like King Ka Kong
Too Bill droppin hits like Donkey Kong
It makes a Rebel feel nothing less than blessed
to be addressed by the rest as Pseudo esquire.
A hip hop musical empire.
Striking back with a style conspired.
All the way till the day DP to the 3 and B-N to the Y-C-E
expire.
Nothing in the taste remains to be acquired.

Chorus 1

You can't stop the Phenomenon.
Shine on, like the rising sun.
Get the name of the train you riding on.
You can't stop the Phenomenon.

Phenomenon shine!
Shine on!

Verse 2

From where I'm standing I can see your
eyes shining.
Hip hop is the setting, but y'all all be the
diamond.
I said I love your biling aint't talkin about
your ring.
Bracelets watches, golden things.
White hot, blast of lightning,
beat drop Rebel rising.
Up from number none to number one.
Grab a Casio go get ya sum.
So from this day on till we go platinum
Let Sweater Rap mmm . . . capture 'em.
Feverish what's goin on?
Just came down from Phenomenon.

Chorus 2

You can't stop the Phenomenon.
Shine on, like the rising sun.

Get the name of the train you riding on.
You can't stop the Phenomenon.

Phenomenon shine!

Shine on!

Verse 3

Comin' at you raw just the way you like.
Never made a break to change your taste
but you've been given a plate to persuade
your appetite.

Ballroom is showered in bling tonight.

In the palace of your dreams we're singin
tonight.

Better believe you'll be eating like a king
tonight.

This Phenomenon flows and grows and goes,
and no one knows if we're even close
but throw party and a toast if we hang up our coats and
retire.

(naaaaw)

You can't see the end of a wild fire!
It goes on and on and on and on!

Chorus 3

You can't stop the Phenomenon.
Shine on, like the rising sun.
Get the name of the train you riding on.
You can't stop the Phenomenon.

Phenomenon shine!

Shine on!

Outro

You can't stop the phenomenon.
Shine on, like the rising sun.
Get the name of the train you riding on.
You can't stop the phenomenon.

The Phenomenon grows it never slows.

Nothing is the taste remains to be acquired.

The Phenomenon grows it never slows.

Nothing is the taste remains to be acquired.

Phenomenon shine!

Shine on!

Phenomenon shine!
