Verse 1

People got their hands up but no one's
gettin hand cuffed
Check your local news, we're
gettin foot loose
6 degrees but there ain't no separation
Smiling at me wit just a hint of flirtation

She Walked up all HELL-0
Conversing like she was C-3PO
All I want to do is Rock & Roll
Drop a hit, To the max! From pole to pole.

Chorus 1

Stars and angles fall from heaven too
Stars and angles fall, what happened to you

She's a Lottie Body, too much a walkie

She be talking on, I say Shut up and Party!

Stars and angles fall
What happened to you

Category five out her air hole
All I want to do is rock n roll
Breaking up my tunes like a Yoko Oh No
