If I had my way, I'd never speak to anyone again  
I gotta say, I hate people I'm so sick of them  
I just can't stand the bullshit I wish I was so far away  
from it  
I'm just stupid and I'm angry is it immature for me to  
say

Fuck all you Motherfuckers  
Fuck all you Motherfuckers  
Fuck all you Motherfuckers  
FUCK YOU!  
Fuck all you Motherfuckers  
Fuck all you Motherfuckers  
Fuck all you Motherfuckers  
FUCK YOU!

I feel so lame, 'cause that's the best I can do to express  
myself  
It's always the same, say the "F" word maybe that'll  
help  
I'm so sick of trying to fit in, I don't even know where to  
begin  
I got friends but they don't know me,  
but I'd tell the world to blow me

[Chorus]

And there's just one more thing that, I have just got to  
sing ya  
Everyone and everything FUCK YOU!

[Chorus]
