(Hey Hey !)
(Hey Hey !)

The cops, the bullies, they're always on my case
The morons, the dickheads, they're cramping up my
space
The nazis, the biggots, the crime being done
The left wing, the right wing, their preaching makes me
dumb

GO TO HELL! you little twit
GO TO HELL! you piece of shit
GO TO HELL! you low life twerp
GO TO HELL! you friggin' jerk

Molesters, and rapests, should have their dicks
removed
The jocks, the bullies, should have their heads reglued
The cheaters, the swindlers, they'll rip your cash away
The greedy, the selfish, the evil of today

GO TO HELL! you little twit
GO TO HELL! you piece of shit
GO TO HELL! you low life twerp
GO TO HELL! you fuckin' jerk

(Hey Hey !)
(Hey Hey !)

GO TO HELL! you little twit
GO TO HELL! you piece of shit
GO TO HELL! you low life twerp
GO TO HELL! you friggin' jerk

Ahhhhh.....
