[Fatlip]

Feelin' downtrodden

Fresh kid turned rotten

I can't believe I'm like E then I'm cotton

Over the years seems like I'm gettin' dumber

Reminiscing to a time when I was younger with a
hunger

Full a dreams, determination, self-esteem

But now it seems they hesitate to be on my team

You know the routine, when you winnin' and grinnin'

All up in your face, like they was wi'ch you from the
beginnin'

But on the flipside,

When you washed up like a riptide

Fools clown 'bout how you slipped and let shit slide

Beside the fact

My voice is wack

Clowns is runnin' around, talkin' 'bout I smoke crack

Ain't got no homies that got my back

Yeah I'm a brotha, but some times I don't feel black

My girl is white

My game idn't tight

Niggas who ain't seen me in a while be like "Dude, you aight?"

Who am I kiddin', who am I foolin'

When they be like "What's up Fatlip?," and I say "Coolin'"

Who am I kiddin', who am I foolin'

When they be like "What's up Fatlip?," and I say "Coolin'"

Who am I kiddin', who am I foolin'

When they be like "What's up Fatlip?," and I say "Coolin'"

Who am I kiddin', who am I foolin'

When they be like

[Fat Lip]

Blowin' like a sucka almost every day

In the back of your mind you prob'ly thinkin' I was gay

But naw, I'm just a bitch ass nigga

The type that get jacked above the ribs ass nigga

See I been a loser just about all my life

Type that try turn a ho to a housewife

What do you expect

I give respect

And feel for hoes niggas keep in check

I'm far from hard

Emotionally scarred

On Pico Boulevard

I was regarded as a retard

I make myself sick

Get on my own nerves

Immature, insecure,

Grown up nerd

Has-been MC

On a label that's unstable

Choppin' bliggy on a table

Who am I kiddin', who am I foolin'

When they be like "What's up Fatlip?," and I say
"Coolin'"

Who am I kiddin', who am I foolin'

When they be like "What's up Fatlip?," and I say
"Coolin'"

Who am I kiddin', who am I foolin'

When they be like "What's up Fatlip?," and I say
"Coolin'"

who am I kiddin', who am I foolin'

when they be like "What's up Fatlip?" (ahh)

[voice in background, spoken]

Hey man, yeah man what's up wid' it

Yeah yeah, I been working on my step
