Lies and desire
And the fuel to humble fires
Considering the end, where the winds begin
And I see the way we're lost among the episodes
They cannot see the whole or the passing role

Where the winds begin
We pass away the time in memorial
Yea for the ride upon the manic carousel
Meanings turn to one and become...

The ease of despair
Momentary is the breath
We are merely under water, suffocating there
The time speeds beyond the shadows
Wheezing this alone
I find the peace knowing even this is passing by

Where the winds begin
We pass away the time in memorial
Yea for the ride upon the manic carousel
Three into two to one and become or you'll...
All fall down...
All fall down...
All fall down...
All fall down...
We all fall down...
We all fall down...
We all fall down...
We all fall down...
Where the winds begin
We pass away the time in memorial
Yea for the ride upon the manic carousel
Three into two to one and become...

Shut up!
Shut up!
Shut up!
Shut up!
Oh shut up
You shut up!
You shut up!

You shut up!
You shut up!
You shut up!
Shut up!

Ashes...
Ashes...
Ashes...
Ashes...
Ashes...
