You notice me  
Take my hand  
So why are we  
Strange as when  
Our love is strong  
But carry on without me

And eveytime I try to fly I fall  
Without my wings I feel so small  
I guess I need you baby  
And everytime I see you in my dream  
I see your face it's haunting me  
I guess I need you baby

I make believe  
You are here  
It's the only way  
I can see it clear  
What have I done  
You seem to move on easy  
And eveytime I try to fly I fall  
Without my wings I feel so small  
I guess I need you baby  
And everytime I see you in my dream  
I see your face your haunting me  
I guess I need you baby

I may have made it rain  
Oh please forgive me  
My frankness cost you pain  
Now this songs my sorry

At night I pray  
That soon your face will fade away

And eveytime I try to fly I fall  
Without my wings I feel so small  
I guess I need you baby  
And everytime I see you in my dream  
I see your face it's haunting me  
I guess I need you baby
