I am your experiment
I'm the next(best?) equivalent
alienate to personalize
take a look into my eyes

One-way mirror on the wall
who's the lonliest of all?
Disconnection in? concrete
reality testing is complete

alienate to personalize
take a look into my eyes

One-way mirror on the wall
who's the lonliest of all?
Disconnection in? concrete
reality testing is complete
I am your experiment...
