I never cared much for the future; this is only a healing process. Our roads  
End in opposite directions. The abuse you put us through will make you feel  
Weak X4... Cry, cry, cry, cry.  
.. Oh I've got news for you, this is what happens  
When your father leaves. Leaving you out; this is my declaration to Bring the  
Bread home. How could you live with your soul.  
This is my declaration to bring  
The bread home. Bring back these times we used to share.  
We'll break down; sick  
Of the bullshit. Sick of the bullshit. Learn to cope with my feelings we'll  
Never be the same. We'll never be the.  
.. Learn to cope with my feelings we'll  
Never be the same. We'll never be the same.(Deep within my thoughts I wont  
Forget) We'll never be the same (Deep within my thoughts I wont  
Forget)... Deep within my thoughts,  
I wont forget X4... Bring me back. Take me  
Back. You will bring me back. Take me back. You will bring me back. Take me  
Back. You will bring me back. Bring
