Loving you isn't the right thing to do
How can I ever change things that I feel
If I could baby I'd give, I'd give you my world
How can I when you won't take it from me

You can go your own way
Go your own way
You can call it another lonely day
You can go your own way
Go your own way
You can call it another lonely day
Yeah, yeah, yeah

Tell me why everything turned around
Packing up (packing up)
Shacking up (shacking up)
Is all you wanna do

If I could oh baby I'd give, I'd give you my world
Open, open, open
Cause everything is waiting for you

You can go your own way
Go your own way (go your own way)
You can call it another lonely day
You can go your own way
Go your own way
You can call it another lonely day

Go! Go your own way, way
You can call it another day
You can go your own way

Go your own way
Oh you can go
Go your own way
You can call it, call it
Call it another day
Oh go, go, go, go
Your own way
Call it your own way

Oh you can go your own way
You can call it another lonely day
Oh go, oh go
You can go, you can go
You can go your own way
