Faye:

I see you walking down the street everyday
But when you look at me I turn away

Adam:

I don't wanna be shy but it's so strange
From cool to dorky it's a major change
I think it's because and then

Both:

You tell me how you feel
I can't believe this is for real
And then just our kiss to close the deal
We're ready for love
Oh we're ready for love

Faye:

It's never too late to fall in love
Oh it's everything we've been dreaming of

Adam:

Holding hands and walking down the street
You kiss me light and my heart skips a beat
I think it's because and then

Both:

You tell me how you feel
I can't believe this is for real
And then just our kiss to close the deal
We're ready for love
Oh we're ready for love

Adam: Every morning, every night

Faye: Oh I can't wait now to hold you tight

Both:

I think it's because and then
You tell me how you feel
I can't believe this is for real
Then just our kiss to close the deal
We're ready for love

Oh we're ready for love
Oh we're ready for love
Oh we're ready for love
Oh we're ready for love
Oh we're ready for love
Oh we're ready for love
