Versus I

Listen, water against the rocks
Looking back, I can't see.
The boats leaving, out on me
No shoes, bare foot.
No make-up, the new look
Where's my home, where you at?
Find my husband, feed my cat
It's getting cold, people leave
No more love, we can achieve

Chorus

Hey, hey, hey, someone there?
I'm drowning, I'm so scared
My heart goes, way too slow
Beats for you, beats no more
Beats no more

Versus II

Let me go, out at night
Drown the sorrow, into the lie
I can't breathe, no I can't see
Fishes and rocks, what does it all mean?
Above my head, something there?
Nothing to grab, it's a nightmare
Hands together, down on my knees
It's like yelling, inside of me

Bridge

Make them go, let me be
I want to go, no one loves me

Chorus 2x

Hey, hey, hey, Is someone there?
I'm drowning, I'm so scared
My heart goes, way too slow
Beats for you, beats no more
Beats no more

Beats no more
