Walking forward you just fall behind  
not knowing where you're goin  
or if ya gonna get there on time  
you hear ryan bowers bust a phat rhyme  
opportunity is knocking on the door  
will you answer or just ignore  
buy your ticket and jump on the train  
heading for a lifetime of money and fame  
searching through the books you find a look  
big baggy clothes and funky hair  
give the children one heck of a scare  
scare them so bad they pull out their hair  
Walking forward you just fall behind  
not knowing where youre goin  
or if ya gonna get there on time  
you hear ryan bowers bust a phat rhyme  
you sit and wonder what you're doing here  
singin, skankin, and drinkin root beer  
Then you go and get your first gig  
play the guitar and dance a lil jig  
Hop on the plane and go on tour  
People in the crowd scream and shout for more  
the applause from the crowd is your award  
then you bust out in a phat lil chord  
(chord)  
Walking forward you just fall behind  
not knowing where youre goin  
or if ya gonna get there on time  
you hear ryan bowers bust a phat rhyme  
Your face is on the cover of Rolling Stone  
People you dont even know try to call you on the phone  
You get all A's in Mr. Dunkles Classes  
gettin A's in great big masses  
Now you go make your way back to kennett High  
Everybody thinks your supa fly  
Arent ya glad you answered the door  
Now you'll be a star forever more  
Walking forward you just fall behind  
not knowing where youre goin  
or if ya gonna get there on time  
dont steal signs you know its a crime
