Crazy people just keep smilin
livin in a Punk Asylum
crazy people stop your cryin
Close my eyes
Cover my ears
but still I listen
still I hear
Crazy people everywhere
singing punk with out a care
everday at half past three
I see the nuts starin at me
Im living in a Punk Asylum
living in a Punk Asylum
It doesnt matter what they think
My sanity is in the sink
I can hear them bouncing off the walls
singing pennywise walkin down the halls
Im living in a Punk Asylum
Crazy people just keep smilin
livin in a Punk Asylum
crazy people stop your cryin
Close my eyes
Cover my ears
but still I listen
still I hear
Crazy people everywhere
singing punk with out a care
People hear and turn their rear
they dont think of it as a career
they cover their ears and call it noise
telling me to go play with my toyz
this is how I spend my day
such is life when you held at bay
tomorrow is when they set me free
I turn my head and and say let me be
I'll turn the world upside down
turning it into a big punk town
where nofx & op ivy rulez
and punk is essential in all the schoolz
Im living in a Punk Asylum
Crazy people just keep smilin

livin in a Punk Asylum
crazy people stop your cryin
Close my eyes
Cover my ears
but still I listen
still I hear
Crazy people everywhere
singing punk with out a care
