In the house where alice lives
Alice's
It's a mess of souvenirs
There to remind
Telling the time
In the garden where you go
Flowers die
People say it's cold out there
You disagree
She's telling me
Come and spend the day at alice's house
Have some time away at alice's house
Write a note saying please don't go
Please don't go
In the softest room you sing
Without a key
The butler is serving tea
Wearing a shirt without any sleeves
Come and spend the day at alice's house
Have some time away at alice's house
Write a note saying please don't go
Please don't go
In the bedroom down the hall
Your secrets sleep
It is always late at night
Won't you stay?
Why don't you stay?
In the house where alice lives
Alice's
It's a mess of souvenirs
There to remind you
Telling the time
Come and spend the day at alice's house
Have some time away at alice's house
Write a note saying please don't go
Please don't go
Alice's house
Alice's house
Alice's house
Alice's house
