Don't be a girl for all their kisses

For all their kisses taste so sweet

Don't be a girl for all their flowers

All their flowers fade when the day comes

And in your eyes, i've seen it rain

Don't be a girl, not for me

And on your face, i've seen their names

Don't be a girl, not for me

Don't be a girl for all their money

For all their money comes so cheap

Don't be a girl for all they promise

All their promises come so easy

And in your eyes, i've seen it rain

Don't be a girl, not for me

And on your face, i've seen their names

Don't be a girl, not for me

Don't be a girl for all their roses

All their roses tell me they want you

Don't be a girl for all their wishes

For all their wishes don't come true

And in your eyes, i've seen it rain

Don't be a girl, don't complain

And on your face, i see their names

Don't be a girl, not for me

And in your eyes, i've seen it rain

Don't be a girl, not for me

And on your face, i see their names

Don't be a girl, don't complain

Not for me
