It came without warning  
There were tears that filled the sky  
Then in the darkness I saw light  
And a vision of tomorrow  
My pain and fear had taken flight  
On a light that painted as it glowed

I heard three angels' voices  
And the tolling of a bell  
Then in the darkness I heard song  
And the music of tomorrow  
My pain and fear had taken flight  
On a song that echoed soft and low  
There in the night  
Let the madness take flight  
Let the vision and light  
Surround you  
There in the night  
Let the madness take flight  
Let song of the muse  
Define you
