Gather, ye, gather, ye, 'round
A tale of magic I'll expound to all
Hear, ye, hear, ye, what I found
My story surely will astound you all

I'll tell a tale, I'll sing to you my story
Now listen to me!

I'll tell a tale, I'll sing to you
Listen to me!

I'll tell a tale, I'll sing to you my story
Listen to me!

Gather, ye, gather, ye, 'round
My magic music I will play for all
Hear, ye, hear, ye, what I found
My magic powers I'll display to all

I'll tell a tale, I'll sing to you my story
Now listen to me!

Gather round, one and all, and listen to my song
Listen to the tale I have to tell
Many night I journeyed through a labyrinth of dream
Where in legend it is said the wizard dwells

Having traveled very far o'er mountain, wood, and sea
Suddenly the sage appeared to me
Asking there 'neath moonlit sky and magic glowing
tree
"Wizard, please impart your gift to me"

Now my songs, one and all, bestowed with magic
power
Listen, ye; ye, hear both far and near
So gather round, one and all, and soon within the hour
Magic shall emerge from my sweet lyre
You'll hear!

Gather, ye, gather, ye, 'round
A tale of magic I'll expound to all

Hear, ye, hear, ye, what I found
My story surely will astound you all

I'll tell a tale I'll sing to you
Now listen to me!
