Yeah i fell in love
Like all good dreamers do
Finally in anger
I gave it all to you
I never shouted it
Like we do in school
And knee-jerk negativity
Just never got me through
And ma she said so carefully
You don't get a vote
This is not a five and ten
This is not a joke she said
It's only you and only i
Bang bang
Bye bye
Now i got a love
To lose myself inside
I don't need to find a face
That i can hide behind
I never shouted it
Like we do in school
Bleed your negativity
Just never got me through
But ma she said so carefully
You don't get a vote
This is not a five and ten
This is not a joke
She said
It's only you and only i
Bang bang
Bye bye
Lose yourself lose yourself
Lose yourself lose yourself
