This poor little rich girl
Wants all she can hold
I know all that she wants
Is my diamonds and gold
And she's nobody's fool
But it's easy to fall
She's a hole in the shadows
Where nobody talks
There's a shadow in my heart
Where the rain never stops
And there's no conversation
Yeah nobody talks
There's a shadow in my heart
There's a shadow in my heart
I'm out on a ride
And you kiss me so cold
And i know what you want
But it's all i've been sold
I can see through your lies
And i know where you are
You're out in the rain
With the beat of my heart
There's a shadow in my heart
Where the rain never stops
And there's no conversation
Yeah nobody talks
There's a shadow in my heart
There's a shadow in my heart
This poor little rich girl
She can't find the spark
And she's shooting down stars
Through her hole in the dark
And she's out on a ride
She's got all you've been sold
She's got all of your dreams
All your silver and gold
There's a shadow in my heart
Where the rain never stops
And there's no conversation
Yeah nobody talks
There's a shadow in my heart

Where the rain never stops
And there's no conversation
Yeah nobody talks
There's a shadow in my heart
There's a shadow in my heart
There's a shadow
