Say, Sam
Why the silent phase
Have you gone away
Or lost yourself?

Say, Sam
In your quiet haze
Have you gone away
To find yourself?

Pray tell, what's in your mind
In song or simple rhyme
The hour's gotten late
So why won't you
Say or sing your mind aloud
Ah, aloud!

Hey, man
As the twilight fades
Have you gone away
Inside yourself?

Pray tell, what's in your mind
In song or simple rhyme
The hour's gotten late
So why won't you
Say or sing your mind aloud
Ah, aloud!
