Hey, hey, can anybody say  
Why the night is dead  
Why the stars don't come around

Hey, hey, can anybody say  
Why the moonlight fled  
Why the silent night resounds

Strange days indeed  
Strange indeed  
Am I  
Lost in a dream  
Lost in dream  
These are  
Strange days it seems  
Strange it seems  
Like the darkest of dreams

Hey, hey, can anybody say  
Why the sky is dead  
There's a hole where the sun once shone

Hey, hey, can anybody say  
Why the sea turned red  
Why the sands have turned to stone

Strange days indeed  
Strange indeed  
Am I  
Lost in a dream  
Lost in dream  
These are  
Strange days it seems  
Strange it seems  
Like the darkest of dreams
