I'm the devil
Your my spies
And I revel
At a soul's demise

I'm the devil
Your my spies
And I revel
At a soul's demise

When you fail it makes me queazy
'Cause your task is so damn easy
Just get the souls of those who die.

(He's the Devil)
I'm the Devil
(We're his spies)
Your my spies
(And he revels)
And I revel
At a soul's demise
(At a soul's demise)
I'm the devil
(He's the Devil)
Your my spies
(We're his spies)
And I revel
(And he revels)
At a soul's demise
(At a soul's demise)
When you fail it makes me queazy
(Uh-oh. oh, oh. oh, oh!)
'Cause your task is so damn easy
Just get the souls of those who die.
(We get the souls of those who die.)

All I want
And all I ask
Is that you do one simple little task!
