With all her talk of all the others

When it shadows everything

And i can't think

About her silence and her rings

I see no place to pin my thought

And where's what's true between the lines

And in her eyes

I see nothing not a sign

And i'm untied

I can't unwind

Your valentines

And i'm untied

I can't unwind

Your valentines

Sunday morning comes too soon

To leave me standing in my light

And there's no time

To set it straight or take a side

And i'm untied

I can't unwind

Your valentines

And i'm untied

I can't unwind

Your valentines

I see no place to pin my thoughts

And where's what's true between the lines

And in her eyes

I see nothing not a sign

And i'm untied

I can't unwind

Your valentines

And i'm untied

I can't unwind

Your valentines
