Suzy

Raiding
Grandma's garages
Selling
Personally possessions for bucks
Ah, that's my daddy's
Favorite gold plated watch

Step in a basket from apples
Scrubbing my nerves with wild rust

May the death in?

Bambi slaughter, it ain't the same as killing humans
Bambi slaughter, it ain't the same as killing humans
Bambi slaughter, it ain't the same as killing humans
Stand away
Been awhile

Looking
The medicine cabinet for drugs
Stealing
Tobacco from grocery stores
Scamming
Tapes from my trust worth friends
They just need planning
Pretty little houses to rob
