Alive(for once in my lifetime)

One time just for a moment
I had time on my side
I felt like one in a miljion
i fell out of the blue
I feel dumb,
I can't speak
I feel blind
I can't see
All my life

For once in my lifetime,
I'm not sad.
For once in my lifetime,
I'm not down.
For once in my life..
For once in my lifetime..

Some days are wide as the ocean.
Sun goes down and it's gone.
I'll be sad when it's over.

I'll be down when it;s done.
I feel dumb.
I can't see.
All my life..

For once in my lifetime i'm not sad.
For once in my lifetime i'm not down.
For once in my life..
For once in my lifetime..

One time, just for a moment..
I had time my side.
For once in my lifetime i'm not sad.
For once in my lifetime i'm not down.
For once in my life..

I feel dumb, i can't speak
I feel blind, i can't see.
All my life..

All my life..
All my life..
All my life..
