Hello to you, hello to me  
I've somewhere else to be  
Excuses, I get all the time  
Your answers, I don't see

Today is easy, isn't it so?  
I sit and watch the radio  
There's nothing coming on at all

Hello to you, hello to mea  
Ah, yeah, I really care  
I'll see you all around sometime  
I hope that I'm not there

Today's news is yesterday's news  
You don't remember, you forget  
That's the way the stories all go

Hello to you, hello to me  
And yes, I really care  
I'll see you all around sometime  
If I ever go back there

Goodbye to you, goodbye again  
I've got to get this train  
It's nine o' clock already  
And I'm twenty minutes late

Goodbye to you, goodbye again  
Problems don't exist  
I'll see you at the station  
You'll be standing in the rain

Today is easy, isn't it so?  
The man says, "Stop"  
The clock says, "Now"  
It's exit time for me

Goodnight to you, goodnight again  
I've somewhere else to be  
I'll see you all around sometime  
I hope you don't miss me

Goodbye to you, goodbye to you  
Goodbye, goodbye, goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye, goodbye, goodbye to  
you  
Goodbye
