I'm a heartbreak beat, yeah, all night long  
And nobody don't dance on the edge of the dark  
We've got the radio on and it feels like love  
But it don't mean a lot and it feels like love and it's all  
that we've got

There's a heartbreak beat playing all night long  
Down on my street and it feels like love  
Got the radio on and it's all that we need

There's a heartbreak beat  
And it feels like love  
There's a heartbreak beat  
And it feels like love

And the beat don't stop and we talk so tough  
And there's a perfect kiss somewhere out in the dark  
But a kiss ain't enough and the world don't stop every  
time that you call And the world don't stop every time  
that you fall

There's a heartbreak beat playing all night long  
Down on my street and it feels like love  
Got the radio on and it's all that we need

There's a heartbreak beat  
And it feels like love  
There's a heartbreak beat  
And it feels like love

I'm a heartbreak beat, yeah, all night long  
And nobody don't dance on the edge of the dark  
We've got the radio on and it feels like love  
But it don't mean a lot and it feels like love and it's all  
that we've got

There's a heartbreak beat playing all night long  
Down on my street and it feels like love  
Got the radio on and it's all that we need

There's a heartbreak beat  
And it feels like love

There's a heartbreak beat  
And it feels like love

There's a heartbreak beat  
I'm a heartbreak beat  
I'm a heartbreak beat  
I'm a heartbreak beat
