I came pulling all the stops  
Putting rain on all of this  
With the sirens in my sleep  
And her sorrow at my kiss

I can't turn away  
Hold a hand to when you pray  
All her vanity and fate  
Written on her crazy face

Here in my head  
I hear you say  
Here in my head  
I hear you pray

Time is running through  
Made by others I regret  
Remember me I hear it said  
Out of faces I forget

Hope you get up off your feet  
Shake the dust out of your shoes  
City lights and all my jazz  
All my demonstrations too

Here in my head  
I hear you say  
Here in my head  
I hear you pray

Time is what it's made  
Made by others I regret  
Remember me I hear it said  
Out of faces I forget

Here in my head  
I hear you say  
Here in my head  
I hear you pray

Here in my head  
I hear you say

Here in my head  
I hear you pray
