no kind of love  
no kind of love  
i don't wanna make no scene  
lovers come and go  
or make you mrs. anyone  
or make you mr. me  
i'm into you like a train  
into you like a train  
into you like a train  
yeah fall in love  
yeah fall in love  
i don't wanna tape you down  
or shack you up with me  
or put you where the flowers go  
or get into your mind  
i'm into you like a train  
into you like a train  
into you like a train  
now fall in love  
yeah fall in love  
if you believe that anyone  
like me within a song  
is outside it all  
then you are all so wrong  
if you believe that anyone  
like me within a song  
would try and change it all  
then you have been put on  
i'm into you like a train  
into you like a train  
into you like a train  
yeah fall in love  
yeah fall in love  
no kind of love  
no kind of love  
i don't wanna wear no side  
or complicate it all  
or celebrate your prettiness  
and kick you in it all  
i'm into you like a train  
into you like a train  
into you like a train

yeah fall in love  
yeah fall in love  
if you believe that anyone  
like me within a song  
would try and change it all  
then you have been put on  
so wrong  
into you like a train
