Is there anything good inside of you
If there is, I really wanna know
Is there anything
Good inside of you
If there is
I really wanna
Know
Is there anything
Good inside of you
If there is
I really wanna
Know
Is there?

Is there any-thaaaang good inside of you
If there is, I really wanna know-woh-oh-oh-oh
Is there any-thaaaang good inside of you
If there is, I really wanna know,
really wanna know...

Something
Anything
Something
Anything

Show me a sign
If you don't mind
Show me a sign
If you don't mind

Do you know what I'm really telling you

Is it something that you can understand
Do you know what I'm really telling you
Is it something that you can understand
Do you know what I'm really telling you
Is it something that you can understand
Do you know what I'm really telling you
Is it something that you can understand

Andy de vine
Had a thong rind
It was sublime
But the wrong kind
Andy de vine
Had a thong rind
It was sublime
But the wrong kind

Have I aligned
With a blown mind
Wasted my time
On a drawn blind
Have I aligned
With a blown mind
Wasted my time
On a drawn blind

Oh Andy ...
