Direct, directly from my heart to you
Direct, directly from my heart to you
Oh, you know that I love you
That's why I feel so blue

Oh I think, I will love the man always
I think, that I will love the man always
Yeah, we'd be so happy together
But you're so far away

Well I need, I need you by my side
Oh I need, yes I need you by my side
Oh I love you little darlin'
Your love I could never hide
