Ian:  
My name is Ian Underwood  
And I am straight member of the group  
( Wowie Zowie)  
One month ago I heard The Mothers of Invention at the  
theater  
I heard them on two occasions  
And at the second occasion  
I went up to Jim Black  
And I said I like your music,  
I'd like to come down to play with you.  
Two days later I came up to the recording session  
And Frank Zappa was sitting at the control room  
I walk up and said  
How'd you do, my name is Ian Underwood and I like  
you music  
And I like to play with your group.  
Frank Zappa says  
What can you do is fantastic  
I say I can play alto saxophone and piano  
And he said  
All right, whip it out...
